ALPINE HVAC SERVICE

Hydronics · Controls
Building Systems

FOR INDUSTRIAL FACILITIES

Downtime costs more than maintenance.

HVAC and building-automation service for plants, warehouses and process facilities across the Golden Horseshoe.

BY THE NUMBERS

600+	commercial HVAC assets maintained
3M+	sq ft of commercial, industrial & institutional buildings
5.0★	average Google rating

STEP 1 · START HERE

Zero-Risk Building Performance Audit

A fixed-fee, on-site assessment. We score every major unit and your controls, then hand you a 12–24 month plan with budget ranges — so you know what could stop production before it does.

THE GUARANTEE

Fewer than 3 actionable findings? You don't pay.

Fee fully credited if you sign within 45 days. The report is yours either way.

Step 2 · Choose your maintenance package

Scoped from your audit — no re-survey

Base

Maintenance, guaranteed.

- ✓ Scheduled maintenance with our **maintenance guarantee**
- ✓ **Exclusive 24/7 after-hours response** — contract sites only
- ✓ **Designated account manager** who knows your plant
- ✓ CLEAR report after every visit

Core — MOST POPULAR

Predictable cost, fewer calls.

Everything in Base, plus:

- ✓ **Service hours included** — no surprise repair bills
- ✓ **Uptime is on us** — we're accountable for keeping it running
- ✓ BAS alarm monitoring with automatic dispatch (Setup Required)

Premium

Highest tier. Most predictable.

Everything in Core, plus:

- ✓ **Capital hours included** for upgrades
- ✓ **BAS installed** — paid annually, no upfront capital
- ✓ **Preferred pricing** on capital upgrades

Industrial sites we service

Plus many more across the Golden Horseshoe

Halton Chemical, Burlington

840 Appleby Line — boiler system

"Alpine installed a complete boiler system at our facility... Top notch work, very professional and on time."

★★★★★ **Jamie · Google review**

Berg Equipment, Wainfleet

Dealership and service shop

"I would definitely recommend Alpine HVAC to anyone who is looking for a team who is going to be personable, transparent, and helpful in making the maintenance of HVAC systems easy."

★★★★★ **Brandon Berg · Berg Equipment**

35 Yale, St. Catharines

Industrial buildings — ongoing service

"Alpine has reliably looked after our buildings for a long time now. They are always prompt, honest, and reliable."

★★★★★ **Andrew H. · Google review**

ALPINE HVAC SERVICE

Hydronics · Controls
Building Systems

WHAT WE SERVICE

Mechanical and controls, one accountable team.

Most contractors split HVAC and building automation. We service both — and use your BAS to keep the equipment running efficiently.

Equipment we service

Maintenance, repair and replacement

- Rooftop units
- Boilers
- Chillers
- Cooling towers
- Make-up air units
- ERVs & HRVs
- Pumps & hydronics
- Unit & tube heaters
- Fan coil units
- Ductless & heat pumps
- Exhaust fans
- Humidity control

BUILDING AUTOMATION

Platforms we work on

Johnson Controls Metasys · Tridium Niagara 4 · Delta Controls · BACnet · Modbus · LonWorks

- ✓ Design, installation and retrofits
- ✓ Legacy migrations — including a 13-building Metasys to Niagara 4 upgrade
- ✓ Alarm monitoring with automatic dispatch
- ✓ Sequence tuning to cut energy waste

WHAT IT'S WORTH

<90 min — on-site response target for contract customers — vs. a typical 4 hours

30–47% — below regional labour rates on a Core agreement — up to 66% after hours

29% — average energy reduction from properly implemented building controls*

~100% — service-customer retention
